**COMPANY PROFILE 2022**

# **1-INTRUDUCTION**

---

**Hybrid Artisan(PTY)Ltd was founded in 2013 by Mr Thabiso Molekoa . He envisioned a sustainable future for our youth as well as community development and upliftment.**

**We proudly stand as one of the first BBEEE companies,we specialize in the fields of services we provide.**

**Hybrid Artisan is ever evolving as the needs and equirements increase from our broad mining sector.**

**Hybrid Artisan intends to grow within the African continent and world providing quality engineering services to customers at large.**

## **2.WHAT DOES THE COMPANY DO.**

### **PRODUCTS AND SERVICES.**

#### **Hybrid Artisan(PTY)Ltd devisions.**

- **Engineering and mechanical**
- **2-Electrical Services**
- **3-Supply and Procurement**
- **4-Civil construction and Fabrication**
- **5-Plant maintance and Conveyor services**

# Engineering and Mechanical

- Laser Alignment
- Mechanical component Installation & Repairs
  - Hydrualics &Pneumatics
- Earthmoving Equipment,Stacker,Reclaimer,Draglines,Drill and shovels refurbishment & maintenance
  - Component Repairs
  - Hardware and Software Design
  - System Integration
  - Building of Transformers
  - Splicing & Lagging

**HYBRID**  
ARTISAN

# Electrical services

- Building Of Transformers.
- Technical support.
- House and Building electrical(single and 3 phase.
- Electrical and Control Instrumentation Components
- Mechanical Seals and Pumps.
- Fans and Feeders.
- Maintenance Fitment and Repair of Draglines gearboxes ,bearings,Lube systems and motors.
- Maintenance fitment and repair of overburn drills,hydraulic equipment coolers compressers,tracks,drill mast,and associated components.

**HYBRID**  
ARTISAN

# Electrical services

---

- Maintenance fitment and and Repairs of all shovels hydraulic Equipment,Booms,self tensioning Tracks,Buckets,coolers and slew Gears.
- Maintenance Fitment and Repairs of Loadout station,Bed lifts,Belt Feeder drives,Hydrualic and Pheumatic.
- Maintenance Fitment and Repairs of all Earthmoving Equipment types whether its Hydraulic or Mechanical System and Components
  - Laser Alignment of all drives

**HYBRID**  
ARTISAN

# Supply And Procurement

---

- Thermocouples
- Electronic Coils
- Safety Products
- Earthmoving Vehicles
  - HDPE Piping
- Plumbing Components
- Personal Protective Equipment
  - Seals, Gaskets, Pumps
  - Splicing Equipment
  - Sanitary Products
  - Instrumentations
  - Filters, Lubricants
  - Fittings And Hoses
- Measuring Equipment
  - Bolts and Nuts
- Pins, Brushes and Bearings
- Ceramic Lining and Components
  - Lagging and ac2000 glues

**HYBRID**  
ARTISAN

# Civil Construction and Fabrication services

---

## **Civil Construction:**

---

- **Design, Fabrication and Installation of plants Structures, Conveyor Structures And Chutes**
- **Interior Design as Per customer Specifications**
- **Design and Construction of Sub –station Building, offices, Dams Concrete works culverts and Roads**

## **Mining Construction:**

---

- **Structural Design(outsourced)**
- **Structural Refurbishment and Installation**
- **Civils Works and Transports Services**
- **Interior Design and Remodeling /Refurbishments**
- **Pre –strips ,Stockpile Management ,Rehabilitation, underground Sumps**

## **Fabrication**

---

- **From Enquiry stage to completion of steel fabrication and installation**
- **Structural Steelwork Manufacturing**
- **Welding Workshop with Mig, Tik and Stick**
- **Troughs and Chute Fabrication**
- **Square Bends and Square to rounds**

**HYBRID**  
ARTISAN

# Plant Maintenance, Wear Linings and Conveyor Services

## Splicing:

- Hot Splicing
- Cold Splicing
- Finger Splicing
- Mechanical Joints
  - PVC Splice
  - Belt Repairs
  - Vulcanizing
- Clip joint and Fasteners

## Pulley Lagging:

- Diamond Lagging
- Ceramic Lagging
  - Epoxy
- Supply Of Lagging Materials
  - Crown Lagging
- Tail end Pulley Lagging

**HYBRID**  
ARTISAN

# Wear Lining Components:

➤ **Ceramic Relining**

➤ **Wear Compound**

➤ **Epoxy**

➤ **Tiles Supply**

➤ **Sandblasting**

➤ **Welding Repairs**

➤ **Painting and Refurbishing**

\*Agitators\*Branches\*Chutes\*Classifiers\*Cones\*Cyclones\*Feeders\*Floppers  
\*Luanders\*Manifolds\*mills\*Pipes\*Pulleys\*Silos\*Splitter Boxes\*Squarebends \*Square to  
round\*Square Bends\*Troughs\*Trunnions\*T&Y Pieces\*Venturis

## Plant Maintenance:

➤ **Structural Maintenance and Repairs**

➤ **Roller Idler Replacement**

➤ **Belt Rolling(Mechanically)**

➤ **Belt Replacement-pulling in new belts**

➤ **Pulley repair and Refurbishments**

➤ **Guard and Rails Protection**

➤ **Magnetic Pic up and sorting Solutions**

➤ **Controlled Access solutions**

**HYBRID**  
ARTISAN

## Services included but not limited to:

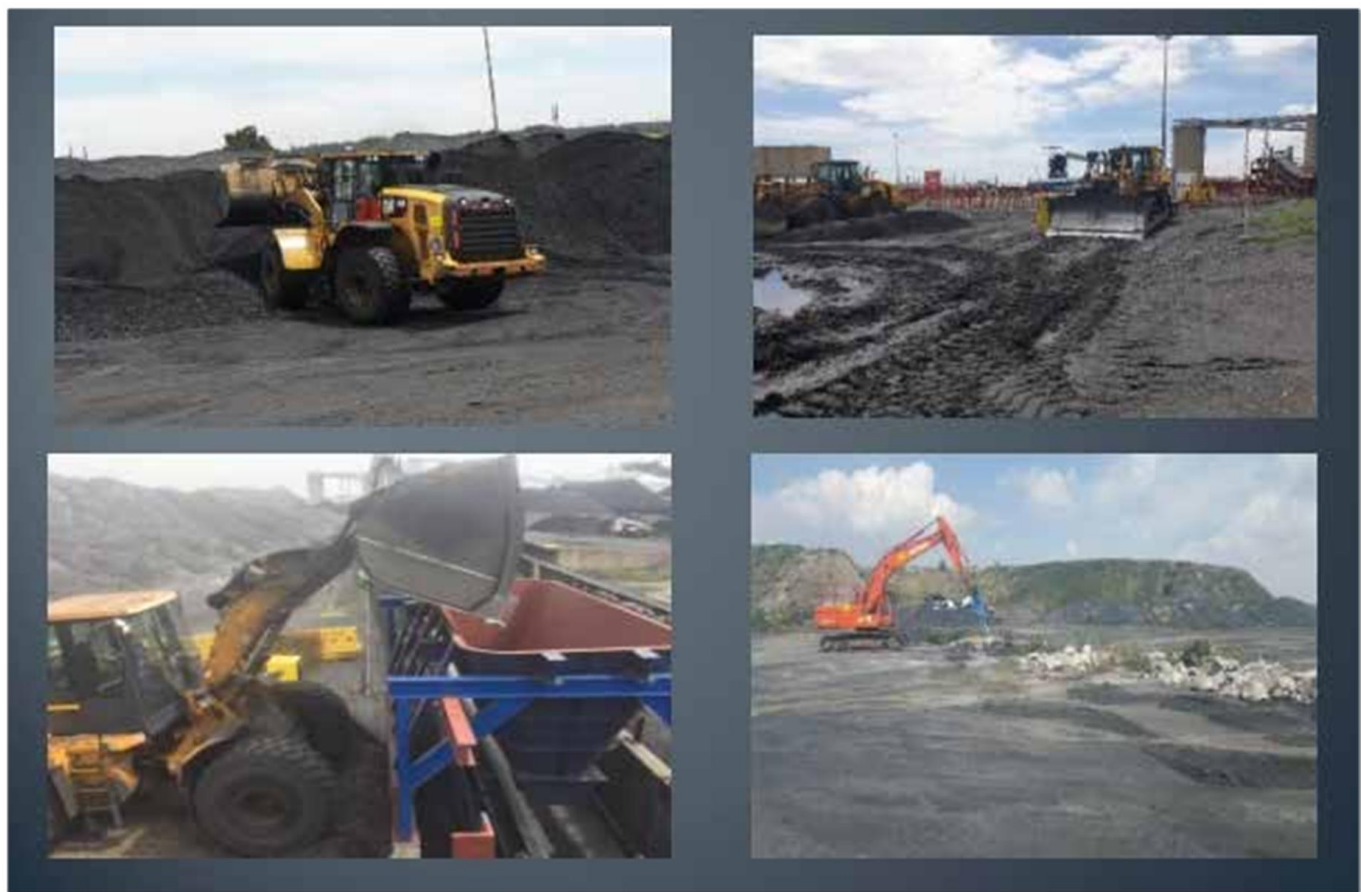

- 24/7 Reactive maintenance & engineering support
- Planned Preventive Maintenance to support the client, inspection and maintenance planning operations
- Structural Repairs
- Bespoke on-site  
Fabrication, Construction, Maintenance, Installation Services
- Component survey and Fabrication-
  - \*Wear parts
  - \*Process components
  - \*Safety Guarding
